Mix & Match Your Shirt Collars

Each silk shirt in the **Dressshirt by Marieclaire St John** line comes with three collars that button right on to it! They're pricey (\$250 per set), but the quality is great. You can shop for extra collars too (\$20-\$45 each)—they come in tons of colors and prints, plus silk and leather.

Stylists' Secret Weapon! **Wrinkle Remover Spray**

A fave of celeb stylists Rob Zangardi and Mariel Haenn, this wrinkle-smoothing spray really works. "It's like a magic potion. Perfect for last-minute wrinkles," Zangardi says. Our tester used it on a cotton shirt and agreed! A couple of spritzes is all she needed to get that just-ironed look.
